Resort Season Opens With Anticipation of Memorial Day Crowd

Big Preparations Are Made in Hope of Good Weather and Business

The resort season in the Antioch area will open this weekend. Because of the double holiday, through Memorial Day falling on Monday, and the fact that many persons do not have to work on Saturdays, a crowd of vacationers is expected over a three-day period.

In recent weeks resort owners have been cleaning and painting their equipment and getting ready for the opening of the season which brings thousands of city residents to this vacation land.

Large quantities of food have been prepared and there will be a big disappointment if the weather is not satisfactory.

Warm weather the first of this week saw many fishermen and bathers at the lakes, but cooler weather yesterday cast a gloom over the prospects and it is hoped that the weather man will have a better forecast for this weekend.

Many persons with summer homes take advantage of Memorial Day to open up their cottages and get ready for the summer. Some do not come, however, until the close of school so that the children can join them.

Except for stores supplying foods, drugs, and vacation equipment, Antioch business places will be closed for the holiday Monday.

Extra police will be on hand over the weekend to take care of what may be a large volume of traffic. The Antioch Rescue squad will have men available for 24-hour service in emergencies.

Antioch Places Team In American Legion Jr. Baseball League

Tryouts to Be Held Sunday at High School Diamond; Squad of Fifteen

The Antioch American Legion will sponsor a team in the West Lake County Junior Baseball League for the fourth year this summer.

Boys from 14 to 17 years of age may try out for this team and under a new ruling any boy born after Sept. 1, 1937 is eligible, thereby adding four months to the age. The old deadline was Jan. 1.

Teams in the western league are Wauconda (2), Mundelein, Libertyville, Lake Zurich, Barrington, Deerfield, and Antioch.

At the close of the season there will be a playoff between this league and the league in the eastern part of the county.

Antioch games will be played on the High School diamond and Ed Jahneke said that he is having direction signs that will be hung on posts at Rtes. 83 and 173 on the evenings of the game.

The committee in charge locally comprises Herbert Meyer, Ed Jahneke, with assistance from Ed Roberts, Bob Hanson, and Ed Frazier, Jr.

Tryouts will be held Sunday. They were scheduled for last Sunday but were rained out.

There will be a squad of 15 and suits purchased last year will be furnished as will be equipment and officials.

The schedule for Antioch will be: June 6—Antioch at Deerfield; June 10—Barrington at Antioch; June 13—Wauconda No. 1 at Antioch; June 17—Libertyville at Antioch; June 20—Mundelein at Antioch; June 24—Antioch at Lake Zurich; June 27—Antioch at Wauconda; July 1—Deerfield at Antioch; July 6—Antioch at Wauconda No. 1; July 10—Antioch at Barrington; July 13—Antioch at Mundelein; July 17—Antioch at Libertyville; July 20—Wauconda 2 at Antioch; Aug. 1—Lake Zurich at Antioch.

Brownies Bring Permit

Any member of the Brownie Scout troop who wish to march in the parade on Memorial day must be at the High School at 1:30 with written permission from their parents. Intermediate girl scouts will also march.

Girls Have Camp-out

Grass Lake Girl Scout troop 6 spent Friday, May 20 to Sunday, May 22 on a camp-out in the woods back of the Grass Lake Scout home. Fourteen girls participated in camp craft badge work. On hand to help were Mrs. Russell Halvorsen and Mrs. Lester Hribar.

Broadway Opened Again

After a paving coat was administered Broadway was opened to traffic last week.

Falls Asleep While Smoking

Tired from a long day of work, James C. Hollman, of Petite Lake lay down on a bed at his home forgetting to extinguish a lighted cigarette Saturday.

He was awakened a short time later by the heat of a burning mattress, and summoned the Antioch fire department which had little trouble in extinguishing the blaze but not until an estimated \$200 damage was done to the bedclothing and the room from fire and smoke.

The call to the Hollman residence, a year-round home off Grass Lake rd., was received about 4 a. m. Secretary Clarence Shults and Chief Edgar Simonsen said.

Success of Memorial Programs Will Depend On Weather Conditions

Parades, Speeches Planned for Antioch, Lake Villa Next Monday

Hope for fair weather, was expressed today by those planning the Memorial Day parade and service Monday afternoon.

With but slight change in order of march, the long parade of patriotic organizations, Gold Star mothers, civic and children's organizations will move at 2 p. m. from the high school to the park at Orchard and Broadway where the service will be held.

Major Peter R. Mawn, post exchange officer at Fort Sheridan will be the speaker. Robert Duha will serve as master of ceremonies.

The program is provided by the American Legion and the Veterans of Foreign Wars who together will supply the color guard and the firing squad. At the close of the service a salute will be fired and taps sounded.

At least 30 organizations will take part in the parade, music for which will be provided by the high school band, Ed Jahneke will serve as marshal.

Various organizations will decorate the graves of veterans in local cemeteries.

Lake Villa Memorial Services
At Lake Villa Chaplain Hal H. Eaton of Great Lakes Naval Training Center will be the Memorial Day speaker, which is sponsored by the (continued on page 7)

Mrs. Susan R. Webb, Daughter of Pioneer Antioch Family, Dies

Mrs. Susan R. Webb, 72, of Antioch, died at 5 p. m. Thursday, May 19, at the home of her son, Emmett Morley Webb in Mexico City, Mexico.

Mrs. Webb was stricken December 23 and later in the winter was flown to Rochester, Minn., for diagnosis and treatment. After two weeks she was taken back to the home of her son in Mexico City where death came.

The daughter of pioneer Antioch residents, William G. and Mary Jones Morley, Susan R. Webb was born Jan. 18, 1883 in Antioch and lived here all of her life. For the past 17 years she spent the winters with her son in Mexico City.

Mrs. Webb was preceded in death by her husband, Chase Webb, in 1935.

Surviving is the son, Emmet Morley, who operates a furniture factory in Mexico City.

Memorial services were held at 10:30 a. m. Monday at St. Ignatius Church. The burial office was followed by a Requiem Eucharist. Interment was at Hickory Union cemetery.

Little League Season to Open Sunday Afternoon with Sox Playing Dodgers; Pony Opens on June 5

The Little League Baseball season will open Sunday, May 29, with the Sox playing the Dodgers at 1:30 p. m. at the new Little League field. Sunday games will be played at 1:30 p. m. and weekday games at 6:30 p. m.

The minor league will meet every Monday at 6:30 p. m. starting June 6. The Pony league playing games away from home will start its season June 5 at Wauconda.

The schedule for the Little League will be as follows: Sunday, May 29—Sox vs. Dodgers; Tuesday, May 31—Giants vs. Cubs; Thursday, June 2—Yanks vs. Tigers; Friday, June 3—Sox vs. Giants.

Sunday, June 5—Yanks vs. Dodgers; Tuesday, June 7—Sox vs. Yanks; Wednesday, June 8—Island Lake at Antioch (Pony League); Thursday, June 9—Tigers vs. Giants; Friday, June 10—Cubs

Mike Haviland Pitches Two Shut-outs to Give Sequoits Two Victories

Antioch Beats Palatine and Ela-Vernon to Close Baseball Season

Pitching his second two-hit shut-out game within a week, Mike Haviland led the Sequoits to a 4 to 0 victory over Ela-Vernon High school there yesterday.

Last Friday he pitched an even better game for a 7-0 victory over Palatine here.

Antioch's recent victories lifted her out of the cellar in the Northwest Conference standing shoving Ela-Vernon into last place. The Bears have another make-up game with Palatine, however, and may, if they win, make it a tie.

Haviland's shut-out against Palatine Friday was more remarkable in that he walked but one man and struck out 13. His two-hitter yesterday involved three walks and a hit batsman. It brought, however, his record of 20 1/3 innings in which he allowed no earned runs, and only five hits.

In the Ela-Vernon game Antioch scored in the first when Roy Ballwanz was hit by a pitched ball, stole second base, went to third on a pass ball and scored on Brownlee's infield out.

In the second inning Jim McMillen singled and scored on Jim Scullen (continued on page 7)

Vileta Walsh, 35, Passes Following Lingering Illness

Vileta Walsh, 35, 622 North Main st., passed away this morning (Thursday) at 2:35 a. m. at the home of her parents, following a lingering illness.

Vileta was born February 10, 1920, in Kenosha, Wis., moving to Antioch at the age of four years, where she has resided since. She was a member of St. Peter's church.

Survivors are her parents, Walter and Jennie Baethke and two brothers, Elmer and Raymond, all of Antioch.

Funeral services will be held at 11 o'clock Friday morning at St. Peter's church.

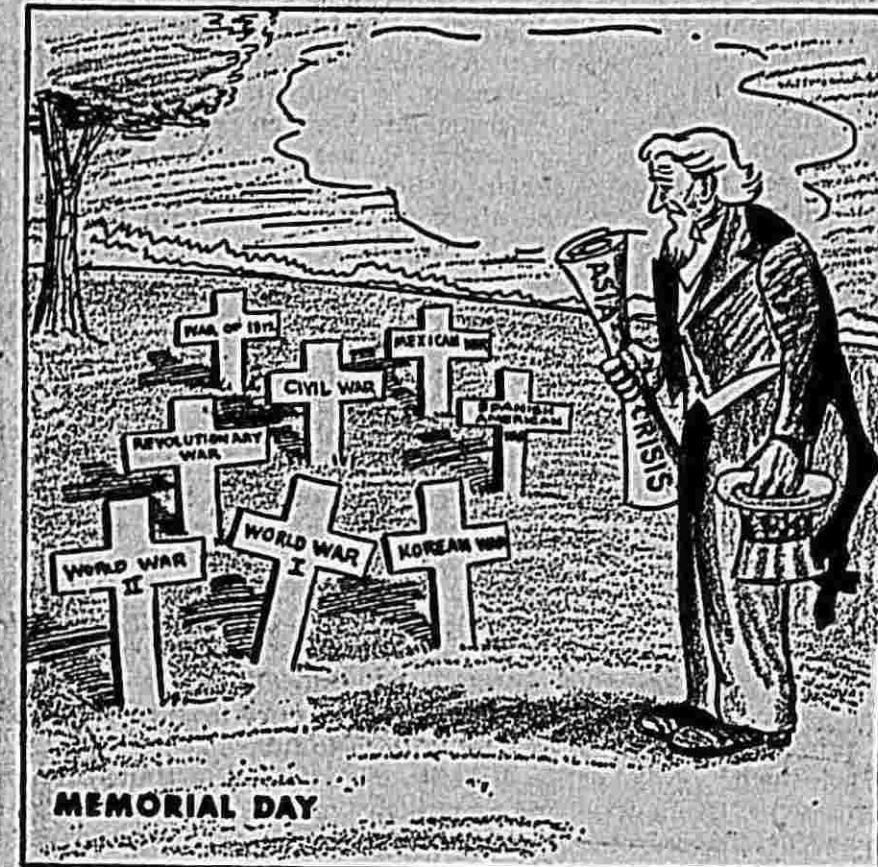

Friends may call at the Strang funeral home after 3 p. m. (Thursday) today.

Plan Memorial Service At St. Ignatius Monday

A special Holy Eucharist will be celebrated Monday morning, Memorial Day at 8 a. m. in the Parish Church of St. Ignatius of Antioch for the benefit of the souls of those who perished in the first and second World Wars together with those who have made the supreme sacrifice in more recent conflicts. The Eucharist will also be offered in thanksgiving to God for the manifold benefits we have received as a direct result of their sacrifice. The names of each of the men, or women, given to the Rector will be remembered at the Altar at that time.

"Our Church," said Fr. Hood, Rector of the parish church, "has always taught that the souls of the departed are in Paradise living, growing, and expanding in their capacity to serve God. The historic Church has also taught that they are benefited by the prayers of the living. It would therefore be an act of almost unpardonable uncharitableness to forget or slight those who have given their lives in order that we might live in the peace and security of our homes and communities especially upon the day devoted to their memory."

New Building Started For Chicago Ink and Research Company Here

Carl Doty, Owner, Expects to Occupy New Plant by Next Fall

Excavating has been started for the new plant of the Chicago Ink and Research Co. at Ida and Anita sts. in Sequoit Acres east of the Soo Line tracks.

The work is being done by Art Laursen and John Blackman who have the excavating ready for the footings.

"We will award contracts to other firms as we proceed with the work," Carl Doty, owner and manager of the company, said.

Doty said that the building will be 64 x 69 feet in dimension, not as large, as originally planned—but that an addition will be built later.

It is Doty's hope that the building will be completed for occupancy by late summer, or early fall. Then the machinery and equipment will be moved here from Mt. Prospect, where the plant is operating with six employees. The building here will give opportunity for expansion.

Doty is a resident of Felter's subdivision, and the community has expressed pleasure in gaining this home owned industry.

Eighth Grade Class of 45 Members Will Be Promoted Friday Night

Antioch Grade School will promote 45 eighth grade pupils in exercises at 8 p. m. tomorrow at the school auditorium.

The program will open with selections by the grade school band one of which will be the processional.

The Rev. Edmond E. Hood will give the invocation which will be followed by an address of welcome by Charles L. Wertz, president of the board of education.

Principal Richard Whitacre will present as the main speaker the Rev. Howard C. Benson, pastor of the Methodist church.

The diplomas will be presented by W. C. Petty of Antioch, superintendent of schools in Lake county.

Fr. Hood will pronounce the benediction and the program will close with the recessional.

The graduates are: Walter Stephen Aschenbrenner, Sandra Barnstable, Walter Charles Becker, Harry Richard Behrens, Duane Robert Caddy, Bryan Edmund Cain, Duane L. Christensen, Elaine M. Christensen, Jone Ruth Cribb, Etta May Dalziel, John Laurence Dupre, Donald Warren Freels, LeRoy Robert Gallagher, Jill Eleanor Gaston, Dennis William Gray.

Herbert Leo Hattendorf, James Bruce Hogan, Richard Earl Hogan, Dennis James Horton, Janet Rose Kelsler, Charles Theresa Keulman, Paul Andrew Magiera, Faye Elizabeth Mann, Diane Mantis, James Steven McGee, Christine Alice McNeil, Bert Walker Metz, Wayne Moran, Diane May Nettles, Sonya Pickus.

Gladys Patricia Provencal, Margaret Ann Pullen, John William Reiff, Jr., Milburn Eugene Rodgers, Richard James Scharbaum, Bill Lewis Seifert, Forrest Warren Stahmer, Carolyn Ellen Stoffel, Una May Stovall, Karen Irene Van Patten, Roger Laurel Van Patten, Arthur Edward Wertz, Robert William White, Donna-Lee Maria Winstead, and Barbara LuAnn Yates.

Commencement June 2 Ends High School Year, 79 Seniors to Graduate

Baccalaureate Service Sunday With Fr. Edm. Hood as Speaker

Antioch High School's largest senior class of 79 members will be graduated next Thursday, June 2, in the fortieth annual commencement to be held in the school gymnasium at 8 p. m.

The program will open with a processional played by the school band under the direction of Louis Chenette, with Priscilla Bauguess and Robert Terry, juniors, serving as escorts.

Dr. Calvin P. Midgley of the Church of Jesus Christ of the Latter Day Saints will give the invocation. The high school capella choir will sing "You'll Never Walk Alone," "If I Could Tell You," and "The Lord's Prayer."

E. W. Edwards, assistant principal, will introduce Dr. Beryl D. Orris, Chicago psychologist, who will give the commencement address on "Where Do We Go From Here?"

Principal Albert Dittman will present the graduating class and Fred Scott, president of the board of education, will present the diplomas to the students.

The program will close with the singing of the National Anthem and the recessional.

The baccalaureate program at 8 p. m. Sunday in the school auditorium (continued on page 12)

To Honor Class of 1905 At 50th Commencement Of Wilmot High School

The fiftieth anniversary commencement of the Wilmot Union Free High school will be held at 8:15 p. m. Thursday evening, June 2 in the high school gymnasium.

The members of the graduating class of 1905 will be honored during the exercises. Six of the seven members will be present. Henry Blim of Chicago, a member of the class, will be the commencement speaker. The members of the class included: Edith Hatch Allen of Green Valley, Ill.; Rosa M. Buffon of Kenosha, Wis.; Helen Carey Dobyns, of McHenry, Ill.; Henry L. Blim of Chicago; Lillian E. Darby, (deceased); Laura Loftus Ferry of Zion, Ill., and Grace M. Carey of Wilmot.

The graduating class of 1955 includes the following: Judith Bottorff, Gladys Bruening, Carol Brandes, Marie Crisafi, Eugene DeBell, MaryAnn Dicklin, Kenneth Elwood, Carl Hockney, LeRoy Huihregte, Audrey Jones, Nancy Kaskin, Arlyn Kerkman, Charles Loth, Charles Lovely, Margaret Lovestead, Sandra Mackenzie, Jacqueline Miller, Joyce Nelson, James Oberhofer, Karen Olson, Edna Otto, Susan Pacey, Lawrence Paulson, Donna Richards, Barbara Roney, Sandra Schaeten, Barbara Schubert, Arlene Seitz, June Sherwood, Henry Smith, Norman Spiegelhoff, Linda Staudenmaier, Marilyn Thiede, Gordon Thornton, Leonard Toepper, Patricia Toepper, Donna Weiler, Donna Weinberg and Richard Wendt.

The honor students of the class are Karen Olson, Donna Richards, Edna Otto, Joyce Nelson and Arlene Seitz. They will speak on the subject "Looking Ahead." The address of welcome will be given by James Oberhofer, class president. The processional, recessional and concert number by the high school band and vocal numbers by the mixed chorus will complete the program.

Reception for 1905 Class
A reception honoring the members of the class of 1905 on the occasion of their golden anniversary will be held at the home of Grace and Erminie G. Carey from 3 to 5 p. m. (CST) Thursday, June 2. Former schoolmates and friends of class members will be welcome.

At 5 p. m. the Ladies of the Methodist church will reserve a table for the class of 1905 at a public dinner in the church hall.

Woman Dies After Her Rescue from Fox River

Although she was rescued from the waters of Fox river near Wheatland 12 miles north of Antioch Sunday, Mrs. Leone Hester, 52, Chicago, collapsed on land and died of what is believed to have been a heart attack.

Mrs. Hester and her husband, Arthur, were fishing when she fell into the water. She grabbed the side of the boat and Mr. Hester, and three men fishing nearby helped her to land. There she collapsed.

The Twin Lakes Rescue squad gave her oxygen but was unable to revive her. The body was taken to the Strang Funeral home in Antioch and later taken to Chicago for burial.

The fishermen assisting in the rescue were John Quist of Grayslake, Ill.; Bernard Cooper, Barrington, Ill.; and Joe Shields, Kenosha, Wis.

Fred Schuler, 60, Dies Unexpectedly at Home in Venetian Village

Fred Schuler, 60, died unexpectedly of a heart attack at 6 a. m. Sunday at his home on Parma dr. in Venetian Village.

He was born Sept. 15, 1894, in Chicago, and moved to Venetian Village eight years ago. He had been employed as an electrician by Hogan and Farwell, Chicago contractors.

Surviving are the widow, Mabel, a son, James, a brother, Harry, of Alhambra, Calif., and a sister, Miss Annie Schuler of Chicago.

The funeral service was held at 1:30 p. m. Wednesday at the Strang Funeral Home with the Rev. L. H. Messersmith of Millburn in charge. Interment was at North Shore Garden of Memories in Waukegan.

"Rat-Hole Salesmen"

More and more people are investing a part of their savings in shares of industry. That is all to the good as a principle. But everyone, whether he plans to put large sums or small in stocks, should follow one basic rule: Investigate before you invest.

Sylvia Porter, the syndicated financial analyst, recently wrote: "Among the worst of the financial abuses existing today are the fraudulent promotions of Canadian oil and uranium stocks. The idea of making a 'killing' in this type of stock has tremendous pull in this era. . . . Of course, there are lots of sound Canadian stocks. . . . But there are lots of crooks operating, too. Frequently, these form companies which have little more than a mailing address behind them. They print stock certificates, turn out lurid sales literature—and then the rackets begin. An informed estimate is Americans have been defrauded out of \$3,500,000,000 by these swindlers just in the last decade—and the belief is the rackets are now flourishing more than ever."

Other authorities have had their say about such swindlers. Former New York State Attorney General Golstein called them "plain crooks." The president of the New York Stock Exchange described them as "rat-hole salesmen." "Appalling" and "gruesome" were the adjectives applied by a spokesman for a leading American brokerage firm.

The stock exchanges, the state corporation commissioners, the Securities and Exchange Commission, the established brokerage houses—these and others worked hard to protect investors from fraud and deception. But the real solution lies with the investor himself. Investigate before you invest.

Make R. E. A. Self-Supporting

Whether or not the establishment of the Rural Electrification Commission was necessary or desirable is a debatable question. What does not seem to be debatable is that its usefulness has pretty well ended.

That is the gist of a Hoover Commission Task Force's view of REA, expressed in a report on the government lending agencies. A Christian Science Monitor account of the recommendations says: "Since 92 per cent of all farms are now electrified, the Rural Electrification Administration should be put on a self-supporting basis and merged into private enterprise. It is not self-supporting, having suffered a net loss of \$5,480,000 in 1954 and it owed the treasury more than \$2,000,000,000."

The Task Force's report cited the REA as one of the agencies which received hidden subsidies, saying: "Several of the lending agencies pay a lower rate of interest to the treasury than the treasury must pay the public for long-term loans." This, it continued, "amounts to a hidden subsidy to the beneficiaries of that agency. Such beneficiaries are a fraction of the

people and the burden must be borne by the general taxpayer.

Actually, it is now time that we started getting the government out of the power business entirely—starting with TVA, as Dean Clarence Manion proposed in a radio address which has received nationwide attention and a great deal of endorsement. The government power projects and bureaus are all, in one way or another, tax-subsidized. They are all tax eaters. And they do nothing that regulated private enterprise cannot do as well or better—while paying heavy taxes for the privilege.

Soil Stewardship Sunday

There are many days of special observance. One of great significance is Soil Stewardship Sunday, which was observed this year on May 15, the fifth Sunday after Easter. It was sponsored by the National Association of Soil Conservation Districts as a day to remind all of us of man's duty to be a good steward of the land. The Association, in furthering Soil Stewardship Sunday this year, has published an attractive booklet containing excerpts of sermons delivered in various parts of the nation on the theme of soil and the obligation to use it wisely.

Property ownership is fundamental to individual freedom, yet in the words of the Executive Director of the National Catholic Rural Life Conference, "Land is a very special kind of property. Ownership of land does not give an absolute right to use or abuse, nor is it devoid of social responsibilities. It is in fact a stewardship. It implies such land tenure and use as to enable the possessor to develop his personality, maintain a decent standard of living for his family and fulfill social obligations. At the same time, the land steward has a duty to enrich the soil he tills and to hand it down to future generations. . . ."

No nation benefits more than the United States from wise and progressive use of land and natural resources. Once a year it is fitting that we should observe these blessings.

The Low Down From Hickory Grove

I see where South Carolina—the Old Palmetto State—has a stomach full of playin' second fiddle to a bigger Govt. Fifteen years ago the Big Govt. in Wash. ladled out around 30 million bucks for putting in dams and power houses above Charleston. And now what? The News and Courier there says they have had enough. The rates must be raised—the promised cheap power to the farmers is out the window. And the State Authority still owes Sambo and others around 45 million, and the Co-op there is looking for a 3 year deferment on its debt.

But don't laugh, you folks across the land, Connecticut to Louisiana to Idaho and elsewhere—the do-re-mi owed Uncle Samuel is charged against your account over at the income tax man's place. You will get wind of it next April 15th.

And now the Charleston paper says the way to get rid of a white elephant is to sell the venture, lock, stock and barrel to somebody that knows a kilowatt if he should meet one down the road. Congress should rest its chin on its palm and ponder. There are still Socialist-minded gents there trying to put over costly foolishnesses like Hell's Canyon, Niagara Falls, etc. That would mean more bad news to mama and papa taxpayer, a few years hence. Nation-wide that is.

Yours with the low down,

JO SERRA

Auxiliary News

POPPY DAYS MAY 27-28

Poppy Day in Illinois requires the help of every member of the American Legion Auxiliary and every member of the American Legion and too—the wearing of the Memorial Poppy by every true American.

There are more than twenty million veterans in this country: men and women who have served in World Wars I and II and in the Korean conflict. Many of these veterans will look to the Legion and Auxiliary for aid in time of need and it is through the poppy sales that these organizations will be able to give a great deal of assistance to those requiring it.

From the time the materials are shipped to the hospitals for the assembling of the poppies, veterans realize what Poppy Day means to them. The service rendered in the hospitals by the American Legion and the Auxiliary thru their rehabilitation departments need financial backing and this is provided through the sale of poppies on Poppy Day.

The women of the Auxiliary who distribute the poppies receive nothing for their efforts. The money which is dropped into the coin boxes in exchange for the poppies goes entirely to the welfare activities of the Auxiliary.

Understanding the meaning of the poppy and the uses to which the poppy funds are put, can anyone be deaf to the appeal of Poppy Day? Can anyone fail to greet the Auxiliary poppy workers with a smile, fail to put on a poppy of remembrance for the dead and show that we remember the living by contributing as liberally as our means will permit? It is certain there are few in Antioch whom remembrance, gratitude and patriotism burns so low. Let us all proudly

wear a poppy on Poppy Day.

Regular Meeting

The next regular meeting of Antioch Unit, American Legion Auxiliary will be held Friday, May 27, at 8 p. m. Some of the members will be out with poppies, but there is much business to be taken care of.

Decoration Day Parade

There will be a parade and Memorial services in the village park

on Monday, May 30. Mrs. Dorothy Horan, Auxiliary president, asks as many members as can to participate in the services. The parade will start from the high school at 2 p. m. and march to the park where services will be held. Major Peter Mawn, post exchange officer at Fort Sheridan will be the principal speaker.

Wear a Poppy for Remembrance.

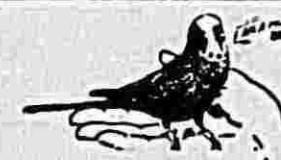

By JACK SEIB and JOHN SHERBET

Every once in a while we at COURTEOUS TV get a service call from a "home tinkerer." We can appreciate the urge a person gets who likes to "fix things" and "probe into" anything that fascinates. It is a natural thing to do. But after seeing some of the results, we say, "Please don't." The kind of damage done can be saddening.

There is an element of risk, too, because there is great danger of high voltage shock even after the set is turned-off and disconnected. Picture tubes are evacuated of air and the terrific, inward pressure can cause an improperly handled picture tube to shatter into pieces. The average TV set has over 20 tubes, over a thousand components, and several thousand connections. This is no place for tinkering.

When you have the urge to "tinker" on your TV set, phone Antioch 144 instead. You can watch us service it, and find out why a formal training and proper instruments are needed for good servicing.

Daylight Saving Time Gradually Gains New Friends

WASHINGTON—Despite almost constant opposition, daylight saving time grows and takes over a larger share of the nation each year.

New York City has voted to join most of New England in 1955 in extending summer's hour-ahead time through October, instead of ending it on the last Sunday in September.

Massachusetts, Rhode Island, Maine and New Hampshire, plus a few communities in Vermont, tried carrying daylight time over into fall last year and liked it.

That hour of daylight shifted from morning to evening gives pleasure to millions, saves substantial amounts of power in lighting streets and homes, and cuts dusk traffic accidents, proponents argue.

Daylight "saving" time, still less than 40 years old, has stirred up storms of sound and fury—but has been adopted from Newfoundland to British Borneo.

Ben Franklin reputedly first thought of moving the clocks of Paris ahead to save wax candles. Paris laughed him down. Not until 1907 was the idea revived by an Englishman, William Willett. A decade later it found an American champion in a businessman named Robert Garland.

Garland fought much the same battle in the United States. Congress passed daylight saving time in 1918, but it lasted only two years. President Wilson was not in accord, but the measure was repealed and did not turn up on the national scene again until 1942, in a second war.

Teachers Are Paid For Going to School

WASHINGTON—High school science teachers, who occupy a strategic position for encouraging young people to consider scientific and technical careers, are going back to school and getting paid for it, at some of the nation's top universities.

Twenty-four universities have set up a pilot run program of summer study for high school science teachers to work as research assistants with some of the leading scientists in the nation. In most cases the teachers receive free tuition for course work and approximately \$400 compensation. This step is being taken to sharpen interest in scientific research since there is an increasing shortage of well qualified technical personnel in industry and in defense establishments as well as in educational institutions.

Number of Widows Up 90 Per Cent Since 1920

NEW YORK—Widows in the United States now number more than 7,400,000, which compares with the 5,700,000 in 1940 and less than 4,000,000 in 1920.

Since 1920 the number of widows has increased by almost 90 per cent while the number of adult females in the population showed a gain of 63 per cent.

Although the number of widows has been mounting rapidly, the proportion of women in the population who are widows has been decreasing at every period of life. This is a result, statisticians explain, of the marked decline in mortality.

At the ages under 45 the proportion widowed in the female population has declined by two-fifths since 1920, and at ages 45 to 54 the decline has been almost one-third. At the older ages there were also decreases in the proportion widowed, but the relative changes were small.

No Breakfast Makes For Bad Disposition

MINNEAPOLIS—Lady, if you wonder why that pretty salesgirl snarled at you, when the store had just opened up...

Mister, if your stenographer makes silly "boners" in the morning but sharpens up after lunch...

The chances are that the poor girls' breakfasts were no more than a cup of coffee and a few drags at a cigarette.

The Family Economics Bureau checked the breakfast habits of 1600 Minneapolis white-collar workers. It found that 45 per cent of the women under 25 habitually eat little or nothing before going to work. Yet for good health and alert mental performance, a fourth of the day's total food should be eaten at breakfast.

Good for Gender

BUENOS AIRES—Not long ago President Juan D. Peron quit smoking after many years of chain-smoking black cigarettes.

Shortly after the Argentine Government announced that 22,000 doctors have been enlisted in an educational campaign against excessive use of tobacco. It is designed to convince youths they should never start the habit.

Polley Plans CABEA Meetings

Mr. and Mrs. Warren Polley went to Chicago yesterday where as president of the Chicago Area Business Educators' Association Mr. Polley presided at a meeting in which plans for the organization during the coming year were made. The meeting was held at the home of Miss Ada Immel on Sheridan rd. as a central place for the region.

Band Gave Good Concert

Although the attendance at the concert given by the Antioch band

last Saturday evening at the high school was not as large as it should have been, the crowd was given an excellent entertainment.

The 30-piece band was at its best and showed marked improvement over last year.

Its next appearance will be Monday afternoon in a concert following Memorial Day services.

Stretchers or framing are no longer necessary in caring for knitted apparel fabrics if they are made of the amazing new, man-made fibers.

Unless you are absolutely sure of the temperature control on your dryer, it is better to let the new science fiber sweaters dry naturally.

University of Illinois farms and experiment fields are in 33 countries.

The oldest system of counting was based on the five fingers of one hand, and our decimal system, is, of course, based on two hands.

To the numerologist, the number one always means unity, two stands for diversity and marriage and three has never lost its original meaning for "all."

Last year 24,000 Americans died of lung cancer, about seven times as many as in 1933. Early detection with chest x-rays twice a year can cut that toll. Support this effort by contributing to the American Cancer Society.

Eureka College Will Observe 100th Year On Sunday, June 12

EUREKA, ILL., May 24—Harold E. Stassen, special presidential assistant for disarmament, will deliver an address at the Eureka College commencement and centennial celebration on Sunday, June 12, Dr. Ira Langston, president of the college, has announced. The 180-student liberal arts institution, which is supported by the Disciples of Christ (commonly known as the Christian Church), is celebrating its 1855 founding.

In a landscaped open air theatre, terraced for the seating of more than 2000 persons with shrubbery screens surrounding the stage, Mr. Stassen will also receive the honorary degree of Doctor of Laws. On the same stage only two days ago (May 22) Dr. Langston was the central figure as he was inaugurated as the college's twentieth president.

Second major speaker at the centennial affair will be U. S. Senator Everett M. Dirksen of Illinois. Illinois Governor William G. Stratton will introduce Mr. Stassen and 17th district Representative Leslie C. Arnds is also scheduled to be on the program.

Eureka was the first college in Illinois and the third in the nation to admit men and women on an equal basis. It was also first in Illinois to use the single subject plan, whereby students study one subject

at a time for a period of eight or eight and one-half weeks. This method has been in use in summer courses since 1930 and in all instruction since 1939.

In number of alumni listed in the current "Who's Who in America," a Eureka centennial study indicates that, in spite of its small size, it ranks eleventh among 103 Illinois colleges and 248th among the nation's 1800 collegiate institutions.

Women of the Moose

Last Thursday, May 19, the Antioch Chapter No. 735, of the Women of the Moose accepted three candidates for initiation at the next regular meeting, June 2, at the Lodge.

The Chapter Development Committee chairman presented the New Horizons awards to their respective committee members who earned them through their voluntary attendance at the monthly committee meetings.

Membership committee held their membership dues drawing and co-worker Mrs. Arthur Berteloni was the lucky winner.

Senior Regent, Mrs. Frank Kennedy, Jr., announced the new slate of officers and voting will be held at the next meeting, as well as during the afternoon between 2 and 4 o'clock, on June 2.

Three co-workers, the Mesdames Frank Kennedy, Jr., George Schroeder and Joe Gorlitz, took part in the monthly birthday march.

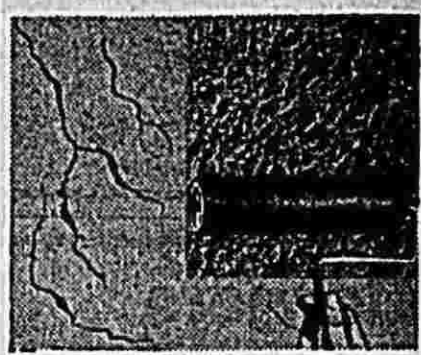

Refreshments followed the meeting served by the Hospital committee.

Library to Have Summer Reading Club

The children of Antioch and vicinity are invited to participate in the summer reading club at the Antioch Township Library. Registration for the club will start on Saturday, June 4. Booklets for recording books read will be given each child and a bookworm pin will be awarded to those who read the required number of books during summer vacation. Special displays of vacation reading will be arranged and the librarian will be happy to help children find the right book to read for fun, for hobbies or for sports.

Ford's lower price lets you buy "the works"!

Because Ford is priced hundreds of dollars below other fine cars, you can have conveniences like Fordomatic, power steering, power brakes, power windows or a 4-way power front seat with the money you save!*

Can you see, steer, stop safely? Check your car . . . check accident!

*Based upon a comparison of manufacturers' suggested list or factory delivered prices

You can profit from the experience of thousands of former medium-priced-car buyers who have made the switch to Ford. For one thing, you can enjoy as they do Ford's many truly fine-car features and, with the money you save, buy the fine-car power conveniences of your choice.

Whichever of Ford's 16 models you prefer, you get the years-ahead styling

of the Thunderbird. Rich Luxury Lounge interiors offer you the last word in interior décor. You'll be far ahead in "go," too, with Ford's reassuring Trigger-Torque power. And wherever you go, on boulevard or back road, Ford's exclusive Angle-Poised ride smooths the way.

Try Ford and you'll agree . . . you can pay more but you can't buy better!

Master-Guide Power Steering lets you park up to 75% easier

You ease your Ford into or out of tight parking spaces with far less effort. Unlike many power steering systems, Master-Guide leaves you with a natural "feel" of steering . . . yet assists you the moment you need extra "muscle" for turning or parking.

Swift Sure Power Brakes let you stop up to 1/3 easier

You travel more relaxed . . . arrive more refreshed. And Ford's suspended brake pedal makes stopping even easier.

Power-Lift Windows let driver regulate all 4 windows

And there's a separate control at each window for individual passenger convenience. From the driver's seat you can set each window just as you want it with a touch on the control.

4-Way Power Seat gives exact seat adjustment

A single control moves the front seat forward or back, up or down, for the exact height and leg room you want. It's the only 4-way seat in Ford's field.

New Speed-Trigger Fordomatic for automatic driving at its best

Now, for extra-fast speed, Trigger starts, just press the accelerator to the floor and you flash away in "low." Fordomatic automatically shifts you into intermediate gear then to direct—all while the selector lever is set at "Drive."

VACATION IDEA . . . VISIT FORD ROTUNDA! Showplace of the Auto Industry * Dearborn, Michigan

This '55 Buick
must have something that
folks just won't do without!

PICK YOUR CAR FROM THE HOTTEST-SELLING BUICKS IN HISTORY

There's a Buick to fit every purse and purpose—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER (illustrated here in the Riviera model), and the custom-built ROADMASTER.

Two months ago, in the public print, we said that this looks like Buick's biggest year—and we weren't fooling.

But what has happened—and continues to happen—is almost beyond belief.

People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production—already revised upward several times—keeps forging ahead to new highs every month to meet the mounting demand.

And Buick sales keep soaring higher and higher and higher—outstripping by far the phenomenal success of last year—the success that moved Buick

into the "Big Three" of America's best sellers.

What is it about the '55 Buicks that folks by the hundreds of thousands just won't do without? It's many things.

It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady. It's a new sweetness of handling. It's great power—walloping new V8 power of record might.

But above all, it's a new kind of performance, from a new kind of

automatic transmission that was born of flight thinking.

It's Variable Pitch Dynaflo*—engineered from the principle of the modern plane's switch-pitch propeller—and what it brings you in the way of pure thrill, mere words can't describe.

Just you drop in on us this very week and try it. That way you can see what a terrific automobile—and a terrific buy—the hottest-selling Buick of all time really is.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

—CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS—

SOCIETY EVENTS

Altar, Rosary Society Will Sponsor Luncheon

"Luncheon is served" is the name give by Jewel Tea Company and Dean's Milk Co., to the luncheon they will serve at 12:30 p. m. Monday, June 6, in St. Peter's school hall under the sponsorship of the Altar and Rosary society of that church for the benefit of the Sisters of the school.

The number of tickets is limited to 150 and reservations must be in and paid for soon. There will be no general admission the day of the party, according to Mrs. Walter Delaney and Mrs. Joseph DeStefano, co-chairmen of the event.

Anyone wishing to attend may call the chairmen or any of the following members who are assisting: Mrs. Richard Hedberg, Mrs. Walter Farrell, Mrs. W. Filatreault, Mrs. A. G. Konitzer, Mrs. Edward Martin, Mrs. Henry Bailitz, Mrs. Thomas Quilty, Mrs. Francis Mitchell, Mrs. Ralph Stollenwerk, Mrs. Ray Yancey, Mrs. George Dillon, Mrs. Jack Harrison and Mrs. Harriet Pierson. The luncheon will take the place of the regular June monthly meeting.

Former Resident Honored On Seventy-fifth Birthday

A birthday dinner was given at the C. H. Doerr home, Azusa, Calif., in honor of Charley Hostetter, Mrs. Doerr's father.

Those attending the dinner were Mr. and Mrs. Charley Hostetter, Azusa; Mr. and Mrs. C. H. Doerr and Charles, Azusa; Mr. and Mrs. C. L. (son) Hostetter, Dennis and Cheryl of Arcadia; Mr. and Mrs. Victor Kroll and daughters Elizabeth and Barbara of Altadena; Mr. and Mrs. E. A. Kroll of Pasadena.

Friends dropping in during the day to offer their felicitations were Mr. and Mrs. Frank Stone, Azusa; Mr. and Mrs. Ralph Helms, Indianapolis, Ind.; and Mr. and Mrs. Al Kroll of Pasadena.

Mr. Hostetter received many gifts and was pleasantly surprised by a shower of birthday cards from friends all over the United States. To date, he has received 98 greetings.

In the evening, to climax a perfect day, he received a long distance telephone call from his son Gilbert and family of Broadview, Ill. Mr. Hostetter would like to express his sincere "Thanks" to all of his friends in this area for their thoughtful remembrances, and also to say, "It was the nicest birthday I ever had."

W. S. C. S. TO HOLD MEETING WEDNESDAY

A regular meeting of the Women's Society of Christian Service of the Methodist church will be held Wednesday, June 1 with a luncheon at 1:30 p. m. Mrs. H. O. Sandburg will lead the devotion and Mrs. Alonzo Runyard will talk on "United Nations." The luncheon will be served by Mrs. John Quinn and her committee.

Antioch Assembly Order of Rainbow for girls held a regular meeting Monday evening at the Masonic hall. Reports were made on the sale of tickets for the picture show "The Glass Slipper" sponsored by the assembly at the Antioch Theatre recently.

Richard Kelly returned home recently after serving four years with the Air Force in Japan. He joined his wife the former Judith Anderson and his parents, Mr. and Mrs. Clarence Anderson of Bluff Lake.

ANTIOCH CHAPTER TO OBSERVE PAST OFFICERS NITE

Past Matrons and Past Patrons night will be observed by Antioch Chapter Order of the Eastern Star Thursday evening, May 26. Mr. and Mrs. Richard Chapman will serve in the East as worthy matron and patron. Mrs. Arthur Rosenfeldt will serve as guest of honor. All other offices will be filled by past matrons and patrons. Mrs. Mary DeSart and her committee will have charge of the dining room.

ANTIOCH HOME BUREAU PLANS CARD PARTY

The Antioch unit of Home Bureau held a regular meeting Wednesday at the home of Mrs. Albert Sima at her Channel Lake home. Twenty-two guests were present. Plans were made for a public card party to be held June 29 at Zion beach.

The next regular meeting will be held at 1:30 June 22, at the Channel Lake school. Mrs. Vern Heath will serve as hostess.

Tells Lions of Tour

Charles Larson, Einar Petersen and Leo Fox were inducted into membership in the Antioch Lions club at a dinner meeting Monday evening at St. Ignatius' Episcopal church hall. The club was well entertained by Clarence Spiering who gave an illustrated talk of his trip to Europe, Africa and India last summer. He showed some excellent colored views.

Receives Scholarship

David Cain, son of Mr. and Mrs. M. C. Cain, has received a tuition scholarship to Northwestern University. He plan to study accounting.

Wear a Poppy for Remembrance.

Gavin Graduates 41 In Service Wednesday

Forty-one pupils were graduated last evening by Gavin School.

Ross A. Burgess delivered the address and selections were provided by the school band and chorus. Mrs. Carrie Edmundson played the professional and Albert Ramsey played a cornet solo with Patty Ames as his accompanist.

John I. Johnson presented American Legion awards.

Members of the graduating class are:

Patty Ames, Nancy Avery, Peter Badger, Iveline Dreiske, Thor Fjellstedt, Ellen Fletcher, Craig Frost, Dolly Goldine, Ronald Goodwin, Judith Gulbrandsen, Beverly Hanke, Pamela Hansen.

Barbara Hemm, George Hucker, Charles Irwin, Karen Kennel, Gertrude Kildahl, Lonnie Krotz, Larry Larsen, Peter Lindahl, John Madden, Marilyn Masche, Martha Mathews, Craig Nagel.

Karin Nordling, Ernest Norris, Barry Paulsen, Albert Ramsey, Dolores Randall, Eugene Rutkowski, Joseph Salami, Dixie Samec, Geraldine Smith, Lawrence Smith II, Jack Stob, Donald Strickler, John Sullivan, Patricia Summers, Kenneth Thompson, Arthur Vocke, and Patricia Welch.

Mrs. Mollie Somerville returned home Friday after spending two weeks visiting her son Earl and wife in Chicago. Mr. and Mrs. Somerville accompanied their mother to Antioch and attended the Tiffany wedding at the Episcopal church in Waukegan, Saturday.

Cub Scout News

The final meeting for the 1954-55 season of Antioch Cub Scout Pack 92 was held Friday evening, May 20, at Wesley hall. Theme for the month was Cub Scout Circus and Cub Scouts of all dens participated in presenting amusing and varied interpretations of the many features of a circus. Songs and parent participation games followed presentation of the circus show.

Various promotional awards were distributed and eight boys who had attained Webelos rank were graduated into Boy Scout Troops 91 and 92. The graduation ceremony consisted of a welcome to the Boy Scout campfire from the Cub Scout campfire. Boys were led over a rustic bridge and officially welcomed into the Troops by Scoutmasters Chester Golonka (Troop 91) and Lawrence Lang (Troop 92). The new scouts were each presented with a Boy Scout neckerchief, a graduation certificate and a Handbook for Boys. Names of the new Scouts are:

Kenneth Anderson, James Berg, Walter Delaney, Albert Dittman, Daniel Hendricksen, William New, William Slater, Charles Smith.

Mr. Harry Jesse, Assistant District Commissioner, spoke briefly on Cub Scout organization planning.

Several members of the present committee of Pack 92 have recently completed an intensive training course for Cub Scout leaders and in conjunction with the sponsoring institution, Loyal Order of Moose No. 525, plans are already being formulated for next year's activities. Den meetings will not be held during vacation months, but several outings are planned for the summer. Watch the Antioch News for details.

Wear a Poppy for Remembrance.

Mrs. Bernard Gutowski, Jr.

Miss Shirley Ann Ross, daughter of Mrs. George Ross of Kenosha, Wis., formerly of Antioch, became the bride of Bernard Gutowski, Jr., son of Mr. and Mrs. Bernard Gutowski, Sr., of Grass Lake in a service Saturday, May 14.

Central Will Graduate 74 Thursday, June 2; Other Events Announced

Baccalaureate services for the third graduating class at Central High School, Salem, Wis., will be held on Sunday evening, May 29. Rev. Robert L. Smith of Salem will speak.

Class Night exercises will be held on Tuesday evening, May 31. Highlights of the evening will be the reading of the Class Will and Class Prophecy and the presentation of awards and achievements for the 1954-1955 school year.

A total of 74 seniors are eligible for graduation in commencement ceremonies June 2. L. G. Samsel, supervisor of educational division of the J. I. Case Company will deliver the commencement address. The valedictorian and salutatorian honor students will also speak.

All events are held in the high school gym and will start at 8:15. The public is cordially invited to attend these activities.

Thirteen to Graduate at Lotus Grade School

Graduation exercises will be conducted at the Lotus Country school Sunday. Thirteen pupils will be conducted at the Lotus Country school Sunday. Thirteen pupils will be promoted.

Noel E. White, postmaster at Fox Lake, will be the guest speaker. The invocation will be given by the Rev. James E. Heule, who will also give the benediction.

The chorus will sing "The Lord I Love," "Shine Glorious Sun," and "April Showers" with Pat Tessman singing a solo.

Thomas Koch of Fox Lake will present the American Legion awards, and Doris Kephart will present the diplomas.

Class members are Edward Andresen, Tyanna Barre, Corinne Fehlberg, Carol Johnson, Joy Klein, Marilyn Schlosser, Marilyn Scholz, Patricia Tessman, Joseph Trkovsky, James Wehrstein, Thomas Weinmann, Emil Wesa and William Wiczorek.

Faculty members are Jean Soby, Ruth Stewart, and Eleanor Smith.

Mary Ann Nielsen Initiated In Green Medallion at IUV

Mary Ann Nielsen, daughter of Mr. and Mrs. Sigurd Nielsen, North Avenue, Antioch, was recently initiated into Green Medallion, a local recognition society for members of the sophomore class at Illinois Wesleyan University, Bloomington, Ill. An initiation was held Wednesday, May 18, followed by a dinner honoring the new initiates. Membership into Green Medallion is based on scholarship, character, participation in school activities, and leadership. Miss Nielsen is a sophomore at the University majoring in music. She is a member of the University Chorus, Concert and Marching Bands, and Delta Omicron, national music honorary.

To Graduate at Ball State

Don Richard Clark of rural Antioch will receive a bachelor of science degree in education at graduation exercises of Ball State College at Muncie, Ind., June 7. Nine hundred students, a record breaker in numbers, will receive degrees. Of this number there are 360 candidates for master's degrees.

St. Peter's to Graduate Twenty-four Sunday at May Crowning Program

Twenty-four pupils will be graduated at the May crowning and commencement exercises at St. Peter's school at 3 p. m. Sunday.

The diplomas will be conferred by the Rev. A. J. Henderson and the Rev. Francis Johnson, and Fr. Henderson will receive the pledge from the class and give the address to them.

Betty Freund will receive "Catholic Girl's Manual" merited for highest grade average and Kathleen Cranley will receive the book "Christ in Me," merited for general excellence as gifts from the Altar and Rosary Society and Holy Name Society.

Medals for perfect attendance will be awarded to Kathleen Cranley, Charlotte Horton, Judy Maleck, and Andrew Milowski.

Hymns will be "Tis the Month of Our Mother," and "On This Day, O Beautiful Mother."

The crowning will be followed by the Litany of the Blessed Virgin, and act of consecration to Mary Immaculate.

Members of the graduating class are Allen Cheterbok, Gerard Konitzer, Gregory LePlante, Andrew and Thomas Milowski, Vincent Nauseda, John Proesel, Thomas Ring, Daniel Runyard, Donald Sheehan, Patrick Sullivan, Robert Wozniak, Joseph Zeien, Diana Barva, Carol Bertolani, Kathleen Cranley, Betty Freund, Joanne Griffin, Janeen Hendricksen, Charlotte Horton, Theresa Kubina, Milda Zuzmickas, Judith Maleck, and Leslie Osmond.

The graduation will also mark the close of the work at St. Peter's of

Sister Superior Mary Claire Ellen who will serve elsewhere next year. She came to St. Peter's at the opening of the school six years ago.

Richard Sieben of New York City is spending a week with his mother, Mrs. Florence Sieben and his sister, Mrs. Louis Tanner and her family.

Fred Stahmer has purchased the Eugene Hawkins home at 965 Spafford st., and will move there from Rte. 173.

Parking Lines Painted
Village employees during the past week painted parking and street crossing lines in brilliant yellow which are expected to last until next spring.

Wear a Poppy for Remembrance.

Mrs. Bertha A. Miller, Lifelong Resident of Lake Villa, Buried Today

Mrs. Bertha A. Miller, 84, of Grand ave., Lake Villa, died of a heart attack at 4:45 a. m. Monday at her home.

Mrs. Miller was born Oct. 8, 1870 at Lake Villa and lived there all her life. Her parents, Archibald and Catherine McCredle came from Scotland in 1854 and were pioneer residents of Millburn.

Bertha McCredle married William H. Miller Feb. 24, 1904 in Waukegan. They engaged in farming until their retirement.

Surviving are a daughter, Mrs. Evelyn McGuire of Rhinelander, Wis., several nieces and nephews and two grandchildren.

The funeral service was held at 1:30 p. m. today at the Strang Funeral home with interment in Millburn cemetery.

Proposed Speed Limit Law for Illinois Gets Motor Club Approval

The proposed 65 m. p. h. - 55 m. p. h. highway speed limit bill now facing the Illinois legislature could reduce accidents while still protecting the rights of the driver, according to Charles M. Hayes, president of the Chicago Motor Club.

Hayes explained today that the speed law which is now in the House after winning the approval of the State Senate, does not call for a fixed speed limit.

"It provides for a prima facie speed limit of 65 miles an hour during the daytime and 55 miles an hour at night on rural highways outside business and residential districts," Hayes said. "The present law provides no speed limit outside municipalities other than speed which is 'reasonable and proper'."

The Motor Club president explained that under a "prima facie" speed limit a driver can be arrested for going faster than 65 miles an hour, or 55 miles an hour at night, but he has an opportunity to defend his speed in court by showing that it was not hazardous on the particular road on which he was driving. Prima facie speed limits are found in most states in the country.

Hayes said the proposed law would increase Illinois' highway safety by requiring drivers to reduce speed on unsafe roads, or in traffic congested areas.

Memorial Programs...

(continued from page 1)
Veterans of Foreign Wars and the American Legion of Lake Villa. Tony Sciacero, commander of the V. F. W., will be master of ceremonies.

The parade, headed by the color guard and firing squad and marching to the music of the grade school band, will form at the school, Rte. 83 and Grand Ave. and leave at 10:30 a. m. for the village hall down town where the service will be held at 11 a. m. The Rev. Kenneth Plummer of the Community Methodist church will offer the prayers and Mayor Ervin Barnstable will give a short talk. Chaplain Eaton will then speak.

Sequoit Victories...

(Continued from page 1)
ly's triple. Scully scored on Ballwanz' infield out.

In the fourth McMillen again led off with a single, went to second when Ballwanz was hit by a pitched ball, and scored when the Bears' second baseman dropped Brownlee's pop fly.

The summary was Antioch, four runs, five hits, no errors; Elav-Vernon no runs, two hits, and three errors.

Against Palatine Haviland held the Pirates hitless until the fifth, when Coates singled to right. The only other hit off his delivery was a triple by Kozy in the seventh.

Key hits as the Sequoits jumped off to a 3-0 lead in the first inning were provided by Roy Ballwanz, Sid Parker, and Gerry Meyer. Parker's hit was a double and he led off the two-run third with a triple. This hit was followed by timely singles by Meyer and Harry Lindgren. The Sequoits added single markers in the fourth and fifth with the aid of only one hit.

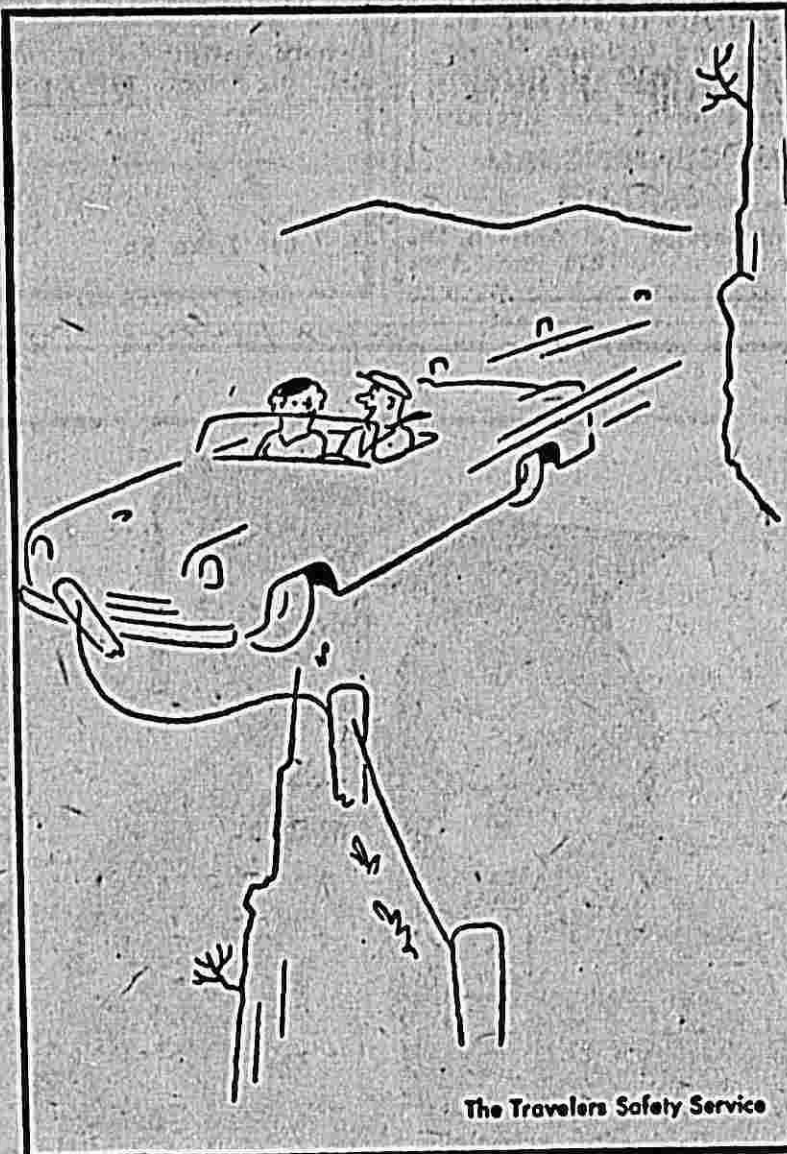

Marring this triumph for Antioch was the fact that Wayne Swanson, serving as a pinch runner, suffered a fractured ankle sliding into second in the fourth inning.

Colorful men's waistcoats are still the popular attire, and many current design and color ideas use decorative metallic Lurex yarns for new luxury effects.

Only **Gas** Gives you **Hot Water Faster!**

If your hot water tap ever runs cold, it's time to replace your old water heater. Replace it with a modern automatic GAS water heater designed to keep pace with today's increased demands.

Then you'll be sure of a fresh, abundant supply of hot water whenever you need it... even for those "thirsty" appliances, the automatic clothes washer and dishwasher. GAS water heaters turn on full-flame automatically to replace the water as it's used... and since GAS is so fast, you don't need a big, space-taking tank. Enjoy all the hot water you want... any time!... for just pennies a day!

REMEMBER

... with GAS there's no expensive installation necessary... your present service connections are more than adequate!

Get the proper size water heater for YOUR needs... see your plumber-dealer or visit our nearest store.

HIGHWAY 173

PEDERSEN BROS. IMPLEMENT CO.

ANTIOCH, ILL.

LAKE VILLA

Circle No. 1 of Woman's Society of Christian Service met at the church last Wednesday afternoon with Mrs. Dunbar and Mrs. Boyer hostesses. During the meeting the new officers for the coming year were installed by Rev. Plummer. Mrs. Gertrude Blust is president; Mrs. Marie Hamlin is vice president; Mrs. Gladys Fischer, recording secretary; Mrs. Margaret McNeill, corresponding secretary, and Mrs. Ruth Haley, treasurer. Plans for the summer sale are being made, and the ladies will serve a luncheon, have a card party and various articles for sale. They already have some rugs on hand. The group will meet at the church on Wednesday, June 1, for further planning.

The M. Y. F. of the Community church held tag day at the church after services last Sunday and will hold it again next Sunday for the All-Conference Camp Fund for the young people of the conference at Lake Geneva.

The Official Board of the church enjoyed pot luck dinner at the church Monday evening and appointed the various commissions and committees for the coming year, which begins July 1.

Mrs. Paul Lawrason, who with her husband and son moved to California last year, has been at her home at Venetian Village for the past month and has sold it to the principal of our school, Mr. M. Colbert who will take possession very soon. Mrs. Lawrason left Monday for her home in California, accompanied by Mrs. Kenneth Plummer who will return home shortly.

Mr. and Mrs. Oliver Walker visited the Harvey Weiss family in Chicago last Sunday.

Sharon, daughter of Mr. and Mrs. Frank Slazes, was a medical patient at St. Therese hospital last week.

Mrs. Anna Nader visited her daughters, Mrs. Anna Almqvist and Mrs. Pauline Schneider at their homes at Chippewa Falls, Wis., this week.

Mr. and Mrs. Russell Nickerson, with Donna, Terry and Tom spent the week end with relatives at Galena and Elizabeth, Ill.

James Hamlin, son of Mr. and Mrs. Clayton Hamlin, and Bob Ham-

lin, son of Mr. and Mrs. Lester Hamlin, who are both students at St. Bede's college at Peru, Ill., were home over the week end.

Carl Reinbach, village clerk and barber who spent some time recently in Condell hospital at Libertyville is recovering nicely at his home.

Mesdames Marie Hamlin, Mayme Kapple, Lottie Boehm and Cora Hamlin were luncheon guests of Mrs. Georgia Avery at her Cedar Lake home last Thursday.

The community was saddened early on Monday by the very sudden death of Mrs. Bertha McCredie Miller at her home near Sand Lake. Her husband William survives, besides an adopted daughter, Mrs. Ralph McGuire of Rhinelander, Wis., and several nieces. Mrs. Miller had spent her entire life of 84 years in the Millburn and Lake Villa communities.

American Legion Post 1219 The regular monthly meeting of the Lake Villa American Legion Post 1219 was held on May 17th at 8 p. m. at the Venetian Village Community hall.

Several important matters were discussed during the business meeting, among them being the unit's participation in the annual observance of Memorial Day to be held on Monday, May 30 at Lake Villa.

The Legion and Veterans of Foreign Wars will consolidate forces to honor their comrades who answered the final call and to carry out the traditions of the greatest day veterans observe throughout America.

At the conclusion of the meeting the members enjoyed films, after which refreshments were served. Don't forget Poppy Days on May 27 and 28.

HICKORY

Gerald Hunter left early Monday morning for the induction center in Chicago.

Mr. and Mrs. Gordon Wells, Jr., arrived home Friday evening from their honeymoon spent in the Black Hills and Mount Rushmore, S. D. They are now getting settled at their new home at Round Lake.

The Wilbur Hunter family had a family reunion dinner at the Van

Patten home on Sunday in honor of Jerry.

Mrs. Curtis Wells was ill with pneumonia at her home last week. She is now convalescing. Mrs. Ray Baethke and baby son "Leonard Albert" arrived home from the Victory Memorial hospital on Sunday.

Mr. and Mrs. L. C. Dean and family of Chicago visited the Oscar Finkel family Sunday afternoon and evening.

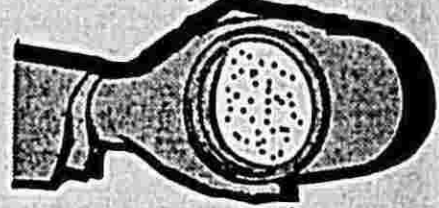

Mr. and Mrs. Gordon Wells, Sr., and sons, Everett and John visited the Robert Panzer family at Johnson Creek, Wis., Sunday.

Mr. and Mrs. Howard Wells and family of Hammond, Ind., visited their mother, Mrs. Curtis Wells on Friday and visited relatives in Kenosha over the week-end.

Mr. and Mrs. Will Thompson spent Monday in Kenosha.

Wear a Poppy for Remembrance.

Poisonous Snake Claims Obstetrical Championship

WASHINGTON — A six-foot snake, one of the most venomous reptiles on earth, which gives birth to 30 to 60 offspring at a time—each a foot-long serpent at birth fully equipped with poison fangs—this is the fer-de-lance.

Lurking in the thick jungle of Barro Colorado Island, the Smithsonian Institution's biological station in the Canal Zone, the fer-de-lance is by far the most dangerous animal on the six-mile square densely wooded island in the middle of Gatun Lake. The snake remains most of the time in dark jungle depths penetrated only by occasional biologists, and none of the hundreds of visitors each year ever has been bitten.

A visiting scientist, to whom the snake was not familiar, picked up a gravid female and carried it to the island's laboratory, according to James Zetek, resident manager of the station. The fer-de-lance did not bite the man although females about to bear young are supposed to be especially nervous and vicious. She began to produce her new family calmly, nervously and viciously. She arrived, and for the first time the birth process was carefully observed by scientists.

Monotonously, one by one, 60 babies came into the world, each one-sixth as long as its mother, although much thinner. Each had fully functioning poison fangs and sacs of venom. From the instant of birth, each could have killed a small mammal and would have been dangerous to man.

Off-Duty Army Dress Rules Set for Men

FRANKFURT, Germany — The colonel who banned brief shorts and blue jeans for Army wives has outlawed fancy sports and T-shirts for their husbands.

Col. John H. Dilley, commander of the Frankfurt sub-area, issued an order against sloppy off-duty dress in a new drive to clean up costumes worn by Americans in his command. Troops can wear civilian clothes when not on duty.

Runaway Caught

LEIGHTON BUZZARD, England — A runaway passenger train with its 16 passengers rushed through two stations before an emergency brake finally brought it to a stop.

Back up the line lay the body of the dead fireman. The engineer, dazed but not seriously injured, was nearby. A blowback from the engine firebox was believed responsible.

TODAY'S BEST BUY

for all medium-duty farm hauling

INTERNATIONAL medium-duty R-160 Series trucks for the farm are available in stake models or equipped for installation of convertible stock rack and grain bodies. Famous Camfo-Vision cab. GVW ratings, 14,000-16,000 pounds.

All new 140-hp Black Diamond 264 engine—available on all models at low extra cost. Has new dual-barrel carburetor, new manifold, 7.0-1 compression ratio—new low friction design with 3-ring controlled expansion pistons—new 50° ramp camshaft for longer valve life—new solenoid type over-running clutch starter—new 11-inch clutch with 15% more lining area, 25% less pedal pressure.

Today's new medium-duty INTERNATIONALS are far and away the finest INTERNATIONALS ever offered in the 14,000-17,000 GVW class — built to do farm hauling better, at lower cost!

They have everything that has made INTERNATIONAL famous for long life, low maintenance cost. And beyond this, they offer new power and economy in the standard Silver Diamond 240 engine — plus an all-new optional 140-hp engine — new optional power steering.

INTERNATIONALS give you everything to make farm hauling easier, more economical. Come in today and get full proof, in a full-scale, behind-the-wheel demonstration drive!

Your trade-in may cover the down payment.
Ask about our convenient terms.

Before you buy any range, find out

Which is Faster

FLAME TYPE

5 minutes 31 seconds—still below boiling point

ELECTRIC

5 minutes 31 seconds—at boiling point

RESULTS OF RECENT IMPARTIAL RESEARCH:

Independent engineers of the R. W. Hunt Company (who made this series of tests) stated: "We ran several speed studies—comparing 3 modern flame-type ranges against 3 modern electric ranges. One electric surface unit boiled a quart of water in 5 minutes and 31 seconds. That was 56 seconds faster than the best flame-type burner tested. We made twenty-one tests in all. Results showed that the three electric ranges averaged 40 seconds faster than the three flame-type ranges." (All ranges tested were top brands.)

The answer: Nothing cooks faster than today's electric ranges!

If you have to get meals in a hurry, you know speed is important. But modern electric cooking offers more than speed.

For instance, when you cook vegetables the waterless electric way, the flavor is all there! And don't worry about scorching, because the electric unit heats the pan evenly.

There's no cooler way to cook than with a new electric range. Electric ovens are so well insulated they keep your kitchen up to 10 degrees cooler than flame-type.

Heard about our New Installation Plan? It can save you important money on installation of a new electric range. The Plan is available at all appliance dealers' and Commonwealth Edison or Public Service Company stores. Makes owning an electric range so reasonable there really isn't any reason to wait.

New electric ranges low as \$2.16 a week, complete, installed!

MILLBURN

Regular services at Millburn Congregational church May 29 include Sunday school at 9:45 a. m. and church service at 11 a. m. Mr. L. H. Messersmith's sermon will be in keeping with Memorial Day.

Twenty-three persons were present at the Couples club meeting at the church last Tuesday evening. Mr. and Mrs. William Jones and Mr. and Mrs. Merrill Lewin were in charge of the games and refreshments. The next meeting will be held on the regular date instead of a picnic in June. It was also decided that July and August would be vacation months.

Funeral services for Mr. J. S. Denman were held Friday afternoon at the Strang Funeral home at Antioch with interment in Millburn cemetery, Rev. L. H. Messersmith officiating.

Mr. and Mrs. Roy Hunn of New York and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Tuesday afternoon. Miss Josie Mann is spending a few days at the home of her brother, Harvey Mann in Waukegan.

Callers at the Eddie Hoffman home on Saturday and Sunday were Mr. and Mrs. T. Davis, Wales, Mr. Peter Roberts and Mr. and Mrs. Tom Roberts and daughter of Lake, Forest and 1st St. and Mrs. D. Densoe and son of Great Lakes.

Mr. and Mrs. Don Holem and Mrs. Frank Edwards attended the Advisory Council for Program Planning of Home Bureau at the Zion Dairy at Zion, Monday afternoon.

Mr. and Mrs. Harry Tillotson of Pikeville, Wis., were at the home of Mrs. Myrtle Savage Friday afternoon.

Millburn Unit of Home Bureau met Friday afternoon at the home of Mrs. Arthur Becker with Mrs. Emmet King as co-hostess. Ten members and three guests, Mrs. Margaret McNeil, Mrs. Esther Emmerick and Mrs. Virginia Sundin were present. Mrs. McNeil joined the unit. Mrs. Carl Anderson and Mrs. James Cunningham gave the lesson, "Progress Against Polio."

The Devotional Study group of the Ladies Aid will meet Thursday morning from 9 until 11 a. m. at the home of Mrs. Verlon Groves. at Druce lake.

Memorial Day services will be held at the Millburn cemetery on Monday, May 30 with Mrs. Helen Boller in charge of the program.

The Ladies Aid will meet June 2 with a cafeteria supper at the church with supper at 5 o'clock and business meeting at 3 o'clock p. m. Mr. and Mrs. Frank Edwards spent Saturday evening at the home

of Marian Edwards, Libertyville. Mrs. Ida Truax spent the week-end with Mrs. Addie Lucas at Wadsworth and on Sunday afternoon visited relatives at Summers, Ill.

Mr. and Mrs. Strohal and Mrs. Brookfield.

Charles Lucas spent Tuesday with Mr. and Mrs. Rudy Spaninger at

Here's why PONTIAC WINS BUYERS FROM EVERY OTHER MAKE

**It's a king-size luxury car—
Biggest at its price!**

Pontiac is a big, roomy car. Here it is: A car with 122" or 124" wheelbase—longest in its price field, even longer than some models in the top price range—and with true big-car stability to match. Luxury is in key. For quality of fabrics, conveniences and appointments, Pontiac compares with the costliest cars.

**It's America's topmost value—
Greatest buy of any year!**

Pontiac is selling at the fastest rate of all time for this simple reason: America agrees—when you can get the size, power, beauty and luxury you want at Pontiac's easy price, that's the place to put your money. Come in and get all the facts.

**It's a 200-horsepower performer—
Most powerful at its price!**

As the only car with the Strato-Streak V-8, Pontiac has a big performance advantage. This newest and most efficient V-8 enables Pontiac to provide more power than any car has ever delivered at Pontiac's price—a full 200 horsepower with the four-barrel carburetor, an extra cost option; 180 H.P. is standard.

**It's a future-fashioned beauty—
Most distinctive at any price!**

Style-conscious motorists turn to Pontiac for true mode-of-tomorrow design, beautifully different from any other car on the road. Exclusive Vogue Two-Tone styling, Twin-Streaked hood and low, rakish lines give you a car that you know will remain a prideful possession for many years to come.

You can buy a big, 200-horsepower Strato-Streak V-8 Pontiac for less than many models of the lowest-priced cars and for much less than stripped economy models of higher-priced makes—none of which equal Pontiac in combined power, size and future-fashioned beauty.

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

Antioch Cancer Fund Reaches Goal of \$675; Mrs. Vos New Officer

Antioch has reached her goal of \$675 for the Cancer fund.

When Mrs. Robert Berg, chairman of the drive announced Tuesday that the fund was within \$4 of the goal, the Antioch News contributed the rest to make the report a better one.

Mrs. Berg said that the fact that the goal has been reached does not mean that more contributions will not be accepted. They can be made at any time.

Mrs. Berg and Mrs. L. V. Madden, cancer education chairman for Antioch township, attended the meeting last week at the Deerpath school which was the annual meeting of the American Cancer society, Lake County chapter.

Mrs. Berg announced that Mrs. Roman Vos will succeed Mrs. Madden who resigned as education chairman because of teaching duties.

Red Cross Again Plans Swimming Instruction For Antioch Children

The Red Cross Learn to Swim program will start again on Monday, June 20, for the fourth consecutive year at Artemis Pool. This year, in an attempt to accommodate all the people, and to reach as many as possible, arrangements have been

made to use the pool Monday through Friday from 9 a. m. to 1 p. m. Friday will be devoted to the instruction of intermediate and advanced swimming, and life saving and water safety.

Registration will be held Thursday, Friday, and Saturday, June 16, 17 and 18. Registration fee remains the same as last year, \$2.00 per child. Each enrollee should bring a small bag of clothing, including bathing suit, towel, and something to throw over his shoulders when he is out of the pool. Girls must wear bathing caps.

The North Lake County Chapter is interested in having aides to assist the instructors for this program. Anyone who has completed the senior life saving and water safety course, and is interested in being a part of this program, should get in touch with the North Lake County Chapter, ONT 2-4044.

H. S. Commencement...

(continued from page 1)

ium will open with the processional played by Jaclyn Martin, pianist. After the invocation by the Rev. Kenneth Plummer of the Lake Villa Methodist church, the high school girls chorus under the direction of Louis Chenette will sing "O Divine Redeemer," "That Is Jean," and "Now the Day Is Over."

The baccalaureate address will be given by the Rev. Fr. Edmund Hood of St. Ignatius Episcopal church. The service will end with the Benediction by Mr. Plummer and the recessional.

Trevor Postmaster Is Vice President N.A.P. For Wisconsin Chapter

Mrs. Florence Dexter, Trevor postmaster, was elected vice-president of the Wisconsin Chapter of the National Association of Postmasters at the organization's recent meeting in Milwaukee.

Other nearby postmasters who at-

tended the meeting were Mrs. Jennie Gotsche, Camp Lake; Mrs. Amy Pofahl of Pleasant Prairie; Mrs. Bertha Schippers of Twin Lakes; and Mrs. Elona M. Sarbacher of Wilmette.

Guest speaker at the banquet was A. E. Weatherbee, executive director of the bureau of the personnel of the post office department.

Kenosha was the first county in Wisconsin to turn in a 100 per cent

membership, receiving recognition for this achievement. The district comprised five counties, Green, Kenosha, Racine, Rock and Walworth, and they also received recognition for 99 per cent membership as a district.

Kenosha county was honored by having three of its postmasters appointed to committees. They are Paul Sattig, Kenosha, distinguished guests; Amy J. Pofahl, Pleasant Prairie, nominating; and Florence E. Dexter, Trevor, resolutions.
